DO YOU LIKE PIE?

Not tough, leathery, pale, dyspeptic pie crust, made with hog lard, but crisp, brown, flaky Pie, made from sweet, healthful, digestible

Cottolene

All pastry and pie crust made with Cottolene is warranted anti-dyspeptic, and may safely be eaten by the most delicate persons.

4 REASONS

- 1st. Cottolene is the purest of all cooking fats, and recommended by all experienced cooks and bakers.
- 2d. Cottolene is the healthiest of all cooking fats, and recommended by all eminent physicians.
- 3d. Cottolene costs no more per pound than lard, and much less than butter, and is better than either for all cooking.
- 4th. One pound of Cottolene is equal in shortening to two pounds of lard or butter, so half the money is saved.

The Greatest Strife.

Among the great strikes, that of Dr. Miles in discovering his New Heart Cure has proven itself to be one of the most important. The demand for it has become astonishing. Already the treatment of heart disease is being revolutionized, and many unexpected cures effected. It soon relieves short breath, fluttering, pains in side, arm, shoulder, weak and hungry spells, oppression, swelling of ankles, smothering and heart dropsy. Dr. Miles' book on Heart and Nervous Diseases, free. The unequalled New Heart Cure is sold and guaranteed by Jos. Tristram, agent, also his Restorative Nerve for headache, fits, spears, hot flashes, nervous chills, opium habit, etc.
